

SIMPLY COLOUR PRICING UPDATE

Dear Valued Customer,

We would like to inform you of an upcoming pricing adjustment for Simply Colour, effective from 1 May.

As part of our annual review, we have aligned this increase with the recent rise in transport, fuel, and raw material costs. By combining these factors into a single adjustment, we've worked to minimise the impact and avoid multiple increases within a short period.

While we always aim to keep pricing as consistent as possible, this step is necessary to ensure we continue delivering the quality and reliability you expect from Simply Colour.

Please note that all orders placed before 1 May will be honoured at current pricing.

If you have any questions, our team is available to assist.
Thank you for your continued support.

Kind regards,
The Simply Colour Team
